Dates Announced for Citywide Garage Sale and Spring Clean-Up Week

The 2022 Waukee Citywide Garage Sale is planned for Saturday, April 30. This is not a City of Waukee-sponsored event. It is a designated day for residents to join many others in hosting garage sales at their Waukee homes.

Spring Clean-Up Week for City of Waukee/ASI customers is scheduled for May 2-6 on residents' regularly scheduled Monday-Friday garbage collection days. On Saturday, May 7, hazardous waste, appliances and tires can be dropped off at designated sites from 8 a.m. to 12 p.m. (noon). Visit www.Waukee.org/cleanup for more details, and watch for additional information in next month's Waukee Utilities News insert!

Waukee Celebrates Gas Utility Workers' Day on March 18

The City of Waukee will observe the national Gas Utility Workers' Day on Friday, March 18, 2022. This day is celebrated across the country as a way to give recognition to the employees who provide the natural gas resource to community members for heating, cooking and more. The City of Waukee owns and operates the City of Waukee Gas Utility which serves 8,047 accounts with approximately 144 miles of gas main.

The official Gas Utility Workers' Day is March 18 because of the March 18, 1937 London, Texas school explosion that led to the widespread odorization of natural gas and an increased emphasis on safety. Safety is a vital aspect to natural gas distribution, and gas employees endeavor to make natural gas delivery as safe as possible.

This annual nationwide event is intended to build public awareness about the hard work done by the employees of natural gas utilities. Our customers recognize the need to access reliable, affordable, safe energy and depend on the service of natural gas utility employees for that need. The City of Waukee looks forward to continuing to bring safe, reliable natural gas into your homes and businesses. For more information about natural gas and safety, visit www.Waukee.org/gasdept. And, as always – if you smell natural gas, call the 24-hour line at 515-249-1212.
