RULES

The Fox Creek Playground provides play opportunities for children [and adults] of different ages and abilities. It is filled with traditional and unique, custom-designed play elements. Each play element has an age-appropriateness rating. Use your best judgment when deciding if a play element is appropriate for your child.

For the safety and enjoyment of children in the play environment we ask that adults supervise their children at all times.

Do not wear clothing with drawstrings and do not wear helmets.

Parents/guardians, please inspect all playground equipment before your child plays. Check for hot surfaces, sharp corners/objects, and/or vandalism. Report vandalism.

No bare feet. You must wear shoes on playground equipment and when walking on playground surfacing.

On warm days, the temperature of the equipment can rise. Please inspect the equipment before your child plays. Extreme temperatures can cause burns.

No bikes, skateboards, scooters, roller-skates, pets, pet leashes, or smoking permitted in the playground area.

Please use the waste receptacles.

If you have any questions or see any damaged equipment, call the City of Waukee Parks & Recreation Department at: 515.978.0007
