

Dates Announced for Citywide Garage Sale and Spring Clean-Up Week

The **2020 Waukee Citywide Garage Sale** is set for Saturday, April 25. This is not a City of Waukee-sponsored event. It is a designated day for residents to join many others in hosting garage sales at their Waukee homes.

Spring Clean-Up Week for City of Waukee/ASI customers will take place April 27-May 1 on residents' regularly scheduled Monday-Friday garbage collection days. On Saturday, May 2, hazardous waste, appliances and tires can be dropped off at designated sites from 8 a.m. to 12 p.m. (noon). Visit www.Waukee.org/cleanup for more details, and watch for additional information in next month's Waukee Utilities News insert!

City Grass and Weeds Ordinance Updated

The Waukee City Council approved updates to the City's grass and weeds maintenance ordinance. Per the new ordinance, grass/weeds are not allowed to grow higher than eight inches on developed properties and 10 inches on undeveloped properties. If a violation is reported and the property owner in question does not mow/trim, a lawn service will be hired and the property owner will be billed for that service plus administrative fees. Lawn-related concerns can be reported online at www.Waukee.org/reportaconcern.

Statewide Tornado Drill Planned for March 25

Severe Weather Awareness Week is scheduled for March 23-27 as a precursor to the spring season's risk for severe weather. This week provides an opportunity to increase awareness of, and response to, severe weather hazards.

A statewide tornado drill will occur Wednesday, March 25 at 10 a.m. A test will also be issued through the National Weather Service Facebook and Twitter pages. People are encouraged to practice any actions that would be taken in the event of a real tornado.
